

Urbandale Community School District Talented and Gifted Program Student Inventory

Student's Name: _____ Grade: _____ School _____ Date: _____

What are your favorite subjects in school? Why?

What things would you like to learn about in school that you haven't had the chance to study yet?

What is one topic you continue to learn about on your own?

Pretend you could invite any person, living or dead, to spend the day with you. Who would you invite and why?

If you could be an author and write a book someday, what would the book be about and what would the title be?

What would you like to do when you grow up? What skills will you need to be able to do this?

What is the best thing that ever happened to you?

What makes you an interesting person for other people to know?

UCSD TAG 8/2007

Kate Safris, Brenda Auxier-Mailey, Bethany Allison, Julie Johnson, Sarah Zdenek, Janean Hauser & Denise Wood

Describe how you like to learn.

What frustrates you?

What do you wonder about?

What do you worry about?

If you could change one thing in your life right now what would you change?

What else do you want us to know about you?

Write your own question and answer it.
